¹ Data are believed to be incomplete for McKinney-Vento programs.
² Reflects experience with dataset provided by HUD's Office of Community Planning and Development.
³ Reflects experience with a USDA dataset on Section 515 rural housing.
⁴ For example, the Section of the Act for insured/subsidized mortgages or the program type for project-based rental assistance.
⁵ For example, the end of the compliance period for LIHTC projects or the date of eligibility for mortgage prepayment.
