- ***Millionaires Tax** not yet introduced, but you can still advocate for it during your lawmaker meetings!

Budgets:

Initial hearings on the Governor’s operating and capital budget proposals were held in the House and Senate during the first week of session. Now is the time to push for these housing justice budget priorities:

- ***\$225 million for the Housing Trust Fund.** Included in Governor Ferguson’s capital budget proposal.
- ***\$3 million in continued funding for the Right to Counsel eviction prevention program.** Included in Governor Ferguson’s operating budget proposal.
- ***At least \$50 million for a homelessness contingency fund** to offset possible losses from federal policy changes to permanent supportive housing and homelessness services that could otherwise force thousands of people out of their homes. Not included in the

Governor's operating budget proposal. (Note this is reduced from the original amount to reflect updated assumptions about the federal budget and state budget constraints.)

Oppose!

- **SB 5844/Lovick and HB 2240/Leavitt** – These bills significantly reduce consumer protections for people using storage spaces by giving storage facilities unilateral power to modify the rental agreement and to dispose of belongings after 5 days. People experiencing homelessness and housing instability use storage facilities and will be harmed by this bill.

Status – SB 5844 is scheduled for a vote in the Senate Business, Trade & Economic Development Committee on Jan. 28 at 8am. HB 2240 is scheduled for a hearing on Jan 28 at 1:30pm in the House Committee on Consumer Protection and Business.

- **HB 2361/Donaghy and SB 6250/Kauffman** will increase the maximum principal amount of small dollar loans. This bill is brought by Moneytree, and it increases the payday loan lending cap from \$700 to \$1,200, plus inflation.

Status – HB 2361 has a hearing on Jan. 27 at 1:30pm in the House Committee on Consumer Protection & Business and SB 6250 has a hearing on Jan. 29 at 8am in Senate Committee on Business, Trade & Economic Development.
