

Trello for iPhone – Watch Lists and Cards for Notifications

Get Notifications for an Entire List

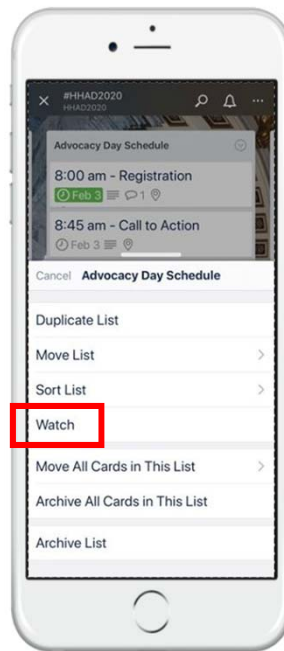

1. Swipe left or right to find the list you want to watch

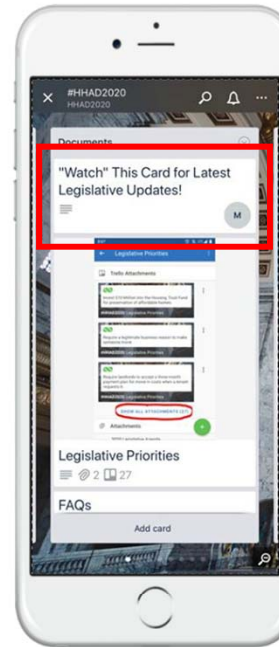

2. Tap the arrow on the top right of the list

3. Click "Watch"

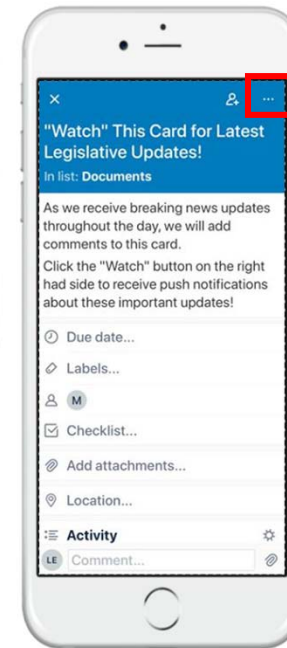

You will now receive alerts sent to your mobile device for comments and events on all cards in this list!

Get Notifications for a Single Card

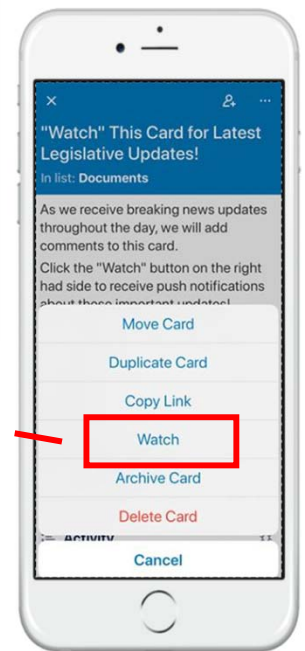

1. Swipe and scroll to find the card you want to watch, then tap it

2. Tap the three dots on the top right of the card

3. Click "Watch"

You will now receive alerts sent to your mobile device for comments and any event on this card!
